Happy Holidays

Sleigh bells ring,,,,,,,,,,,,,are you listening? Let it snow let it snow let it snow. We are so excited about the season and the festivities going on. Who has been naughty and who has been nice. Well I know a couple teenagers who are on the edge. Seriously we here at Pike County AAA wish for everyone to have a safe and warm and healthy holiday. One filled with peace, love, and happiness.

PEACE  
LOVE  
HAPPINESS

This year we have some elves that are visiting the local long term care facilities to provide caroling and frivolity. Most nursing home residents get little to no visitations from their families or friends.\*

So our elves are boarding the caroling "bus" and heading to Shohola and Milford on December 12<sup>th</sup> and the 19<sup>th</sup>. Kudos to the ladies who have formed this group and we wish them a magical time.

The sleigh bells aren't the only things ringing this month. We are providing a bus to Mohegan Sun on December 13<sup>th</sup> where there will be slot machine bells ringing hopefully. This getaway will provide entertainment, great food, and maybe even a few extra shekels in your pocket. I am hoping that by then I will already have won prizes from Kevin's Special Olympic chances he was selling. Good Luck to all.

A big thank you to all of the folks that contributed items for our Caregiver "kits". We are sending them out in the next couple weeks and hope they help with the day to day enormous responsibilities of being a caregiver. Above the Rest, At Home Quality Care, Karen Ann Quinlan, Residential Healthcare & Pike AAA Care Management Team

Thank you to all of our veterans who made it out to our Red, White, and Blue Thanksgiving in November. It was a great success, and food was delicious.

Our Legal services for older adults has been under used in the last year and we would like consumers to know that the AAA contracts with North Penn Legal Services to provide no-cost access to Will, POA's and other simple legal documents. Call our intake staff or your care manager/service coordinator to get a referral made on your behalf.\*\* Some requests for other types of legal representation may be denied, due to case load size and demands of the attorneys.

\*\*Consumer is responsible for getting to the North Penn Legal Services Office in Stroudsburg

As hunting season is in full swing, remember to wear orange in the woods, and use safety precautions when transporting a firearm. Also this time of year the deer can be erratic when running near the road so use extra precautions while driving as well.

Happy New Year and see you at the **Mummers Parade** !!!!!!!!!!!!!

**UTILITY SCAM ALERT**

FirstEnergy customers are urged to keep the following information in mind to help ensure the safety of their family, property and personal information:

Customers who are behind on their accounts receive written notices of a possible disconnection and how to prevent it. FirstEnergy representatives will not call or email to demand immediate payment to avoid a same-day shutoff.

While FirstEnergy representatives often make courtesy calls to customers to remind them about an outstanding balance, they would explain how a payment can be made using the established payment options. They would never require a customer to purchase a pre-paid money card as the only acceptable means of payment.

FirstEnergy employees do not contact customers to request sensitive information such as social security numbers or bank account information.

Scammers often use Caller ID spoofing software to misrepresent the source of a phone call to further mislead and confuse their targets. Call-back numbers provided by these criminals often use greetings and hold messages that mimic legitimate businesses.
